

All prices are inclusive of VAT unless otherwise stated.

Domestic Broadband	Price per month	Data Allowance per month	Contract Length
<b>GoEssential*</b>	€35	80gb Priority Data	18 Months
<b>GoConnect</b>	€45	250gb Priority Data	18 Months
<b>GoMax</b>	€55	1000gb Priority Data	18 Months

**Priority data:** connection speed is at its maximum capacity. Package up to speed is based on the platform you choose.

All packages have unlimited data once priority data is used.

We will notify you by email once your data allowance reaches 80%, 90% and 98% of usage.

Once your data allowance reaches 100% your connection speed will reduce to 1mb download, 0.25mb upload.

**Standard FTTH pricing is based on 150mbps connection**

Additional Premium for 300mbps connection: €15pm

Additional Premium for 500mbps connection: €20pm

Additional Premium for 1000mbps Gigabit FTTH connection: €25pm

\*GoEssential Package is not available on the Fibre to the Home (FTTH) product
